DEVELOPED BY **OKO**GROUP AND **OB** GROUP

All depictions of furniture of detail known, including without limitation, items of finish, furniture and decorations, are conceptual only and are not necessarily included in the Unit for a current representation of the same included in the Unit, see the furniture plan, "Unit" and item in the Declaration (which generally includes the exterior surfaces of walls and floors, the interior non-load bearing walls and includes interior structural components). Note that measurements of rooms are taken from the generally lowest of the standard points of each Unit, from wall to wall, or from the outside edge of the exterior wall to the standard point of the adjacent wall, and do not necessarily be shorter than the product obtained by multiplying the stated length times width. All dimensions are approximate and may vary with actual construction.

E Use of the room area is perfect rectangle, without irregular or any curvature accordingly, the area of the outside room and ultimately be shorter than the product obtained by multiplying the stated length times width. All dimensions are approximate and may vary with actual construction.
